Baby's getting her first teeth. Her mother and father couldn't be more proud. But baby doesn't like it much and makes sure everyone in the house knows how she feels. She screams and cries and whines and drools and won't eat and can't sleep. Mama is at her wits end, but Grammy knows exactly how to fix this problem.

This illustrated, rhyming story is great for toddlers and young children. It includes a sweet little lullaby I sang to my two daughters when they were infants and it's informational too!
