All day long, the Knight peels turnips. This isnâ€™t what she had in mind for her first magic lesson. She wants to make a magic potion, not soup! Things get a lot more exciting when she steals the wizardâ€™s magic wand and spell book. Her potion transforms Edward into a giant wormâ€”and heâ€™s hungry!

Hocus Focus offers more sweet, goofy storytelling from the creators of Adventures in Cartooning. With simple how-to-draw tutorials on the endpapers, these cute picture books are a playful extension of the hit instructional series.
